**ORDER REQUIRING COMPLIANCE  
WITH GENERAL ORDER NO. 56 AND  
VACATING CASE MANAGEMENT  
CONFERENCE**

13 Re: Dkt. Nos. 4, 15  
14

15 It is apparent from the Joint Case Management Statement that the parties have not  
16 complied with General Order No. 56, which sets forth the procedures all United States District  
17 Courts in the Northern District of California follow in cases that assert a right of access under Title  
18 II or III of the Americans with Disabilities Act. The Scheduling Order in this case, filed on  
19 August 22, 2014, clearly identified the steps that the parties needed to take under the General  
Order, and which the parties have ignored. Counsel have wasted a significant amount of time and  
are admonished for their failure to comply with the Orders of this Court.

20 The new dates for full compliance with the paragraphs in General Order No. 56 are as  
21 follows:

22 Paragraph 2: July 10, 2015

23 Paragraph 3: August 1, 2015

24 Paragraph 4: August 29, 2015

25 Paragraphs 5, 6 and 7: If the matter is not settled by September 25, 2015, file the Notice of  
26 Need for Mediation by that date.

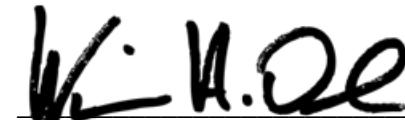

27 Counsel are expected to know the rules of this Court and to abide by them if they wish to  
28 practice here. Strict compliance with General Order No. 56 is required. If plaintiff submits a

1 statement of costs and attorney's fees in accordance with Paragraph 6 of General Order 56, she  
2 shall not include any costs or fees incurred during her period of non-compliance with the General  
3 Order.

4 The Case Management Conference scheduled for June 30, 2015 is VACATED.

5 **IT IS SO ORDERED.**
